Delivery time will vary depending on the customer's location, but typically will take between 5-7 business days. Customers will receive a tracking number once their order has shipped so that they can track their package.

FAQ:

Q: What is the Janejoy Pelvic Floor Muscle Trainer?

A: The Janejoy Pelvic Floor Muscle Trainer (Model J02) is a device designed to help strengthen and tone the pelvic floor muscles, which can help with bladder control, pelvic stability, and sex function.

Q: How does the Janejoy Pelvic Floor Muscle Trainer work?

A: The Janejoy Pelvic Floor Muscle Trainer uses electrical stimulation to activate and contract the pelvic floor muscles, providing a workout for these muscles without the need for manual exercises. The device also provides biofeedback to help you track your progress and ensure you are using the correct muscles.

Q: Is the Janejoy Pelvic Floor Muscle Trainer safe to use?

A: Yes, the Janejoy Pelvic Floor Muscle Trainer is safe to use. However, as with any medical device, it is important to read and follow the instructions carefully. Do not use if you are pregnant or have a pacemaker or other implanted electronic device.

Q: Where is the Janejoy Pelvic Floor Muscle Trainer made?

A: The Janejoy Pelvic Floor Muscle Trainer (Model J02) is made in China.

Q: How long does it take to see results with the Janejoy Pelvic Floor Muscle Trainer?

A: Results can vary depending on individual factors such as age and muscle strength. However, many users report seeing improvement in bladder control and sex function within a few weeks of regular use.
